Take a look at this beautiful townhome located in the sought-after community of Quarry Place! This spacious home has 3 levels of living space. Upon entering the main level, you have a bedroom with a walk in closet and full bathroom that can also be used as a virtual office or recreation space. Off of the hallway you have easy access to the 2-car rear garage. Going up to the second level, you enter the kitchen with a large island that can accommodate up to 4 people if hosting a Sunday brunch, tall 42" cabinets that allow for adequate storage space for the seasonings used for your specialty dishes, modern stainless-steel appliances, a living room and adjoining dining area. Enjoy the open floor plan that will allow your guests the flexibility to eat, socialize during gatherings, watch a good movie, participate in a game night or just for you to get some well needed rest after a long day. Just off of the living room is the deck. It's a great place to sit and just gaze at the stars or the reflection of the moon on the lake at night. As you go upstairs to the third level enjoy the option of choosing which bedroom you'd like as your relaxation spot. Both bedrooms include full bathrooms and plenty of closet space. No need to run downstairs to do laundry. The washer and dryer are conveniently located on the 3rd level. When leaving your home take a walk by the quarry, sit at the pavilion with your picnic basket for lunch, bring your dog to the dog park or
